KANSAS
LEARNING CENTER
for Health

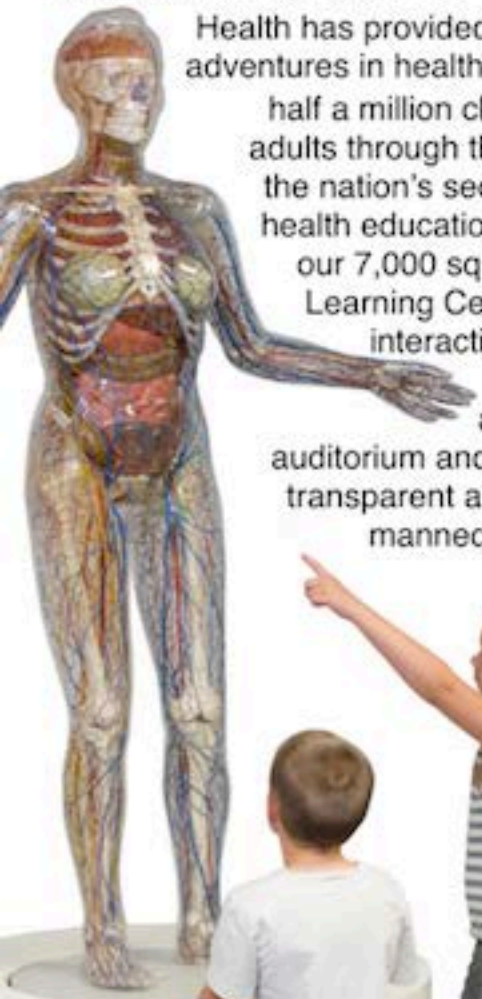

adventure

is the key

Founded in 1965, The Kansas Learning Center for

Health has provided educational adventures in health to more than half a million children and adults through the years. As the nation's second oldest health education museum, our 7,000 square-foot Learning Center has interactive exhibits, classrooms, a 68-person auditorium and Valeda, a transparent anatomical mannequin.

Museum Membership Levels

Single Plus One

Visit KLCH as many times as you wish and bring a guest!
\$30/year

Family
