**The Kansas Learning Center for Health hosting a  
Community Launch on October 25, 2016**

**News Release**

**Halstead, KS** - The Kansas Learning Center for Health (KLCH) is pleased to announce it will be hosting a Community Launch on Tuesday, October 25<sup>th</sup> from 6:00 – 7:00 pm. Come join our “adventurers” Blaze and Roxi on a Walking Tour of our Exhibit Hall using one of KLCH’s iPads or your own smart device! The event is free and open to all ages!

There will be a special recognition at 6:30pm of the “Adventure Naming” recipients from Halstead Middle School: Jarrett Vanhorn and Breanna Parsons.

At the Community Launch, visitors will take part in this walking tour using a “smart” device. A touch pad icon map of the exhibits allows visitors to begin their tour at any of the exhibits in the hall. With the touch of their fingertip, visitors will be linked to age-appropriate information to enrich each of the exhibits. Guests can take part in an interactive quiz while hunting for answers on the exhibit itself and/or informational posters surrounding the exhibits. Each visitor will determine their own starting place within this self-paced tour.

The main goal of the walking tour is to increase the amount of health information found at each exhibit, giving the visitor a more comprehensive museum experience in a current, technologically savvy format.

Join us for this fun, adventurous learning experience! Plus, Blaze and Roxi will be available to take “selfies.”

KLCH is a non-profit organization that was founded in 1965. The KLCH also offers outreach programs where KLCH instructors provide curriculum-enhancing information that is both educational and entertaining. It is our mission, “To be a premier regional resource for quality health education.” For more information, visit [www.learningcenter.org](http://www.learningcenter.org) or call the KLCH at 316-835-2662.
